Forward lists of members of the respective Associations.

Both lists contain names of persons who are not members of the Muhammedan Community. These names will if approved, be scored out before lists are forwarded to the Govt.

Submitted for orders.-

There are non-Muhammadan members in the list of associations. Whether they can vote is a point for orders. If both are, they cannot- the associations recognised as they are for purposes of representation of minority Community, ought to contain only Muhammadan members or when there is a sprinkling of other castes, the latter may not exercise their right of voting. Otherwise, the non-Muhammadans

may claim to stand as candidates & get elected, which is evidently not what is contemplated by the Govt. The non-Muhammadan names may be omitted for purposes of exercising the right.

Dewan through the Secy R.A. & L.C. 24/2

This position was not contemplated by Govt. It was not anticipated that an assocn. specially representing Muhammadans would contain members belonging to other communities. In the present circumstances, the suggestion made above that voting and candidature should be confined to the community which is going to be represented may be approved.

RR 24/2

Dewan.

The whole principle of nomination appears to be unsound. The Govt should be assured that they will not be forced - under the Regulations - to nominate members of the Muhammadan community.

Have added the Chitaldrug Association also. The name of the Association may however be verified.
26/2/24

In the case of associations for the depressed Classes & perhaps Arya Kshatriya Assn also, a similar difficulty has arisen, Believe — Candidates for these Associations happen to be members belonging to Communities, other than those to be represented. Please scrutinize & if necessary, letters to the above effect may also issue to them.
